

# REGATEC 2015

*Bringing technology and industry together*

## **Invitation to participate as an Exhibitor at 2<sup>nd</sup> International Conference on Renewable Energy Gas Technology 2015**

### **Conference information**

The 2nd International Conference on Renewable Energy Gas Technology will be held in Barcelona, Spain, 7-8 May 2015 at the four star Alimara hotel. The conference is organized by Institute for Biogas, Waste Management & Energy and Renewable Energy Technology International AB.

The conference covers the latest advances in thermochemical and microbial conversion of biomass and waste to biomethane and Power-to-gas. The technical and industrial focus of the conference ensures a good mix of both scientific R&D and real life experiences of operating demo and commercial plants. The target with the conference is to showcase the latest advances, to spark new insights and ideas as well as to establish cooperation and commercial contacts. Target group for the conference are primarily actors that work with biomethane through anaerobic digestion and/or gasification and Power-to-gas such as technology developers and suppliers, gas distributors, energy companies, filling station operators, municipalities, local waste management companies, captive fleet operators, farmers, researchers and consultants as well as authorities, decision makers and politicians.

Presentations will be given in both plenary and parallel sessions by leading experts and prominent industrial representatives. In addition there will be a poster session and an exhibition in conjunction with the conference. 180 participants and 30 exhibitors are expected.

More information about the conference is available at the conference website

### Information about exhibition

- The exhibition will take place on the 7-8 of May 2015. Coffee will be served in, or close to, the exhibition area to give plenty of time for all conference participants to see the exhibition. The exhibition can take a maximum of 40 companies (first come, first serve)

The exhibitor fee is 1,600 euro (excl. VAT) and includes:

- Free participation at conference including coffee/lunches, the gala dinner and a printed copy of the conference proceedings for two people.
- Each company that signs up for the exhibition will be given an area of 2 x 1.5 m. If more space is needed, each additional 2 x 1.5 m costs 300 € (excl. VAT).
- Exhibitor's logotype including a web link will be presented at the conference website.
- Table and a chair can be borrowed free of charge.
- Electricity (bring your own extension cord) and cleaning

### Loyalty discount and specific requests

Exhibitors at the previous REGATEC who sign up no later than 31<sup>st</sup> of December 2014 receive a 10% loyalty discount on the exhibitor fee. For further details and specific requests please contact Jörgen Held, phone +46 (0)723-182 582, email [jorgen.held@renewtec.se](mailto:jorgen.held@renewtec.se)

### Exhibitor form

Signing up as an exhibitor is binding. The exhibitor fee will be invoiced when the signed exhibitor form below is received.

In case the conference is cancelled 80% of the exhibitor fee will be refunded. Exhibitors are responsible for sending a company logotype and a web link to be included at the conference website.

We want to be an exhibitor at the REGATEC 2015 Conference:

Company: \_\_\_\_\_
