

REGATEC 2017

Bringing science, technology and industry together

Invitation to participate as a Sponsor of 4th International Conference on Renewable Energy Gas Technology 2017

Conference information

The 4th International Conference on Renewable Energy Gas Technology will be held at the 4 star hotel and congress centre, Parchi del Garda, Pachingo (Verona), Italy, 22-23 May 2017. The conference is organized by Institute for Biogas, Waste Management & Energy and Renewable Energy Technology International AB in collaboration with Consorzio Italiano Biogas e Gassificazione.

The conference covers the latest advances in thermochemical and microbial conversion of biomass and waste to biomethane, CHP and Power-to-gas as well as cryogenic upgrading and/or liquefaction. The technical and industrial focus of the conference ensures a good mix of both scientific R&D and real life experiences of operating demo and commercial plants. The targets with the conference are to showcase the latest advances, to spark new insights and ideas as well as to establish cooperation and commercial contacts. Target group for the conference are primarily actors that work with biomethane through anaerobic digestion and/or gasification and Power-to-gas such as technology developers and suppliers, gas distributors, energy companies, filling station operators, municipalities, local waste management companies, captive fleet operators, farmers, researchers, consultants, authorities, decision makers and politicians.

Presentations will be given in both plenary and parallel sessions by leading experts and prominent industrial representatives. In addition there will be a poster session, an extensive exhibition, and scheduled B2B meetings (Network Plus).

More information about the conference is available at the conference website www.regatec.org

Sponsorship alternatives

There are two levels of sponsorship, gold and silver.

Gold sponsor (open to a maximum of five companies/organizations)

- cost of 6,000 € (excl. VAT) which includes:
- free admission for three people including all meals and printed copies of the conference proceedings
- large exhibition space (4 x 1.5 m) including table, chair, electricity and cleaning
- sponsoring entity's logotype including a web link and a 3-4 line company/organization presentation* visible at the website
- sponsoring entity's logotype visible in the conference advertisement, in invitations and flyers
- 1 full page for advertisement or company/organization presentation in the ISBN numbered conference proceedings.

* To be prepared by the sponsor.

Silver sponsor (open to a maximum of ten companies/organizations)

- cost of 3,000 € (excl. VAT) which includes:
- free admission for two people including all meals and printed copies of the conference proceedings
- sponsoring entity's logotype including a web link visible at the website
- sponsoring entity's logotype visible in the conference advertisement, in invitations and flyers
- ½ page for advertisement or company/organization presentation in the conference proceedings.

Please note that a regular exhibition space, 2 x 1.5 m, can be added at the reduced cost of 300 € (excl. VAT)

To ensure that the sponsoring entity's logotype is included in the advertisements sponsors have to sign up no later than **31st of December 2016**. An early sign up implies a longer duration of visibility at the website and in the early invitations.

Loyalty discount

Sponsors at the previous REGATEC who sign up no later than 31st of December 2016 receive a 10% loyalty discount on the sponsor packages.

Contact information

For more information about sponsorship please contact:

Dr. Jörgen Held
CEO Renewable Energy Technology International AB
Phone: + 46 (0)723-182 582
E-mail: jorgen.held@renewtec.se

SPONSOR FORM

Sponsorship entity and contact person details

Signing up for sponsorship is binding. The sponsorship fee will be invoiced when the sponsor form is received and the logotype and hyperlink are added to the REGATEC website.

In case the conference is cancelled 80% of the sponsor fee will be refunded. Information to be included in the conference proceedings should be sent to info@regatec.org no later than 1st of April 2017. Sponsors are responsible for sending a company logotype, and in case of gold sponsor a 3-4 line company presentation, to be included at the conference website.
